General information

Date established	1991
Number of employees (total in the company)	120
Legal Form	S.a.
Registered Number	01084718
Patent No.	34772744
Issued Share Capital	8 000 000 MAD
Turnover	50 to 200 million MAD

Board of Directors and Executives

Executives

Président / President / Chairman : M. Mouhcine Senhaji Rhazi
Spoken languages : FR
Vice président / Vice President / Vice Chairman : M. Mohamed Tahiri
Spoken languages : FR
P.d.g. / Chairman of the Board : M. Mouhcine Senhaji Rhazi
Spoken languages : FR
Directeur Gén. Adj. pôle res. & sup. logis. / Deputy Managing Director : M. Jaouad Lazrak
Spoken languages : FR
Directeur Gén. Adj. pôle technique / Deputy Managing Director : M. Brahim Mountahi
Spoken languages : FR
Directeur Gén. Adj. pôle commercial / Deputy Managing Director : M. Larbi ElIdrissi
Spoken languages : FR

Products & services

Savoir-faire

French

Intégrateur d'infrastructures de communication sécurisées

Trade names

3com	informatique et réseaux (United States)
A.m.p.	cablage, précablage (United States)
Alhatif	taxation (Morocco)
Avaya	téléphonie (United States)
Lg - Nortel	téléphonie (Korea, Republic of (South Korea))
Mge (Merlin Gérin)	onduleurs (France)
Netcam	caméra surveillance
Plantronics	casques (United States)
Rte	logiciel de fax réseau (France)
Trend Micro	logiciel sécurité (Japan)
Zpas	armoires informatiques
Zyxel	routeurs, réseaux, modems,... (Taiwan)

Kompass categories

P Producer - **D** Distributor - **S** Service provider - **E** Export - **I** Import

Products & services

Code		Kompass code description
37180		Electric switches
3718012	D	Circuit breakers, residual current
3718013	D	Thermal cut-outs

Sigmatel

3718014	D	Switches, solid state
3718015	D	Switches, air break
3718016	D	Switches, oil break
3718017	D	Switches, air operated
3718018	D	Switches, vacuum
3718019	D	Switches, rotary lever operated
3718020	D	Switches, rotary and pull
3718021	D	Switches, key operated
3718022	D	Switches, light actuated
3718023	D	Switches, pressure
3718024	D	Switches, foot operated
3718025	D	Switches, lever operated (toggle switches)
3718026	D	Switches, sound level actuated
3718027	D	Switches, inertia operated, electric
3718028	D	Switches, tactile, electric
3718029	D	Switches, cam
3718030	D	Switches, line-cord (through switches)
3718031	D	Switches, edge control (thumbwheel)
3718032	D	Switches, push-button
3718033	D	Switches, remote control
3718034	D	Switches, flush/panel/recessed
3718035	D	Switches, membrane
3718036	D	Switches, drum
3718037	D	Switches, rocker
3718038	D	Switches, knife
3718039	D	Switches, selector
3718040	D	Switches, step
3718041	D	Switches, multipole
3718043	D	Switches, changeover
3718044	D	Switches, speed
3718045	D	Switches, centrifugal
3718046	D	Switches, proximity and limit
3718047	D	Switches, position
3718048	D	Switches, cyclic
3718050	D	Switches, reed
3718051	D	Switches, slide
3718053	D	Switches, solenoid
3718054	D	Switches, combination
3718055	D	Switches, two-way
3718101	D	Switches, intermediate
3718102	D	Switches, differential, electric
3718104	D	Switches, piezoelectric
3718105	D	Switches, light curtain
3718106	D	Switches, thermal delay
3718107	D	Switches, earthing
3718108	D	Switches and circuit breakers, miniature and subminiature
3718109	D	Switches for power current
3718110	D	Switches, DC
3718111	D	Switches, AC
3718112	D	Switches, mercury
3718113	D	Switches, sulphur hexafluoride (SF6)
3718114	D	Switches, ultrasonic
3718115	D	Switches, gamma ray
3718116	D	Switches, infrared
3718117	D	Switches, illuminated
3718118	D	Switches, coaxial cable
3718119	D	Control switches for circuits
3718120	D	Switches, explosion proof and intrinsically safe
3718121	D	Switches, watertight
3718122	D	Switches, flameproof
3718123	D	Switches, anti-vandal
3718124	D	Switches, screened
3718125	D	Switches, metal clad
3718126	D	Switches, outdoor
3718127	D	Switches, indoor lighting
3718128	D	Switches, door edge, mechanical
3718129	D	Switches, twilight
3718130	D	Switches, thermostat
3718131	D	Switches, domestic appliance
3718132	D	Switches for heating or cooking appliances
3718133	D	Switches, battery or battery regulating
3718134	D	Switches, keyboard
3718135	D	Switches, joystick

Sigmatel

3718136	D	Switches, electronic starter
3718137	D	Switches, prepayment
3718138	D	Switches, emergency stop
3718139	D	Switches, multiplexing, mechanical
3718140	D	Tachogenerators combined with encoder and overspeed switch
3718141	D	Switches and fuses, combined
3718142	D	Commutator switches
3718154	D	Switches to customer specification
3718235	D	Safety interlocks, solenoid, non-contact

37190 Electric controllers, starters and regulators

3719007	D	Controllers, electric, drum type
3719008	D	Controllers, electric, liquid type
3719010	D	Controllers, resistance type
3719011	D	Controllers, potentiometric
3719134	D	Controllers, battery electric vehicle
3719135	D	Controllers, tram and trolleybus

37320 Telecommunication equipment accessories

3732001	D	Control and monitoring equipment for data transmission systems
3732002	D	Discriminators, telecommunication
3732003	D	Frequency changers, telecommunication
3732004	D	Uniselectors, telecommunication
3732006	D	Coders and decoders, telephone systems
3732007	D	Telecommunication multiplexers
3732008	D	Line communication system line extenders
3732010	D	Manual telegraphy equipment, Morse and Hipp, Baudot, Hughes
3732012	D	Telephone call counters
3732013	D	Telephone call logging equipment
3732015	D	Telephone muted call system
3732020	D	Speech scramblers and telephone privacy equipment
3732022	D	Telephone switchgear, selector and accessory equipment
3732023	D	Integrated services units (ISU)
3732025	D	Filters for telecommunications
3732026	D	Noise suppressors, telecommunications
3732027	D	Microwave rotary joints
3732029	D	Music on hold and digital announcer systems for telephone systems
3732030	D	Telephone answering machines
3732031	D	Automated attendant systems, telephone
3732032	D	Telephone plugs and sockets (jack type)
3732033	D	Telephone set components and accessories
3732035	D	Telephone booths and room hoods, acoustic
3732036	D	Connection and protection boxes for telephone and telematic transmission equipment
3732038	D	Concentrators, telephone line
3732040	D	Accessories for external telephone lines
3732041	D	Voice announcer systems, digital
3732042	D	Voice and/or video mail systems
3732044	D	Accessories for mobile telephones (cellular phones)
3732045	D	Ear sets and microphones, hands-free, for mobile telephones (cellular phones)
3732046	D	Wireless communication headsets
3732047	D	Audio detectors
3732048	D	Voice recording (logging) systems, digital
3732050	D	Global system for mobile communication (GSM) modules
3732052	D	Mobile telephone (cellular phone) jamming equipment
3732053	D	Mobile telephone (cellular phone) detectors

37440 Loudspeakers and headphones

3744001	D	Loudspeakers, electrodynamic
3744002	D	Loudspeakers, electrostatic
3744003	D	Loudspeakers, moving coil
3744004	D	Loudspeakers, moving iron
3744005	D	Loudspeakers, piezoelectric (crystal)
3744006	D	Loudspeakers, exponential horn
3744007	D	Loudspeakers, reversed horn
3744008	D	Loudspeakers, horn
3744009	D	Loudspeakers, multi-element
3744010	D	Loudspeakers, re-entrant
3744011	D	Loudspeakers, elliptical
3744012	D	Loudspeakers, hazardous area, explosion proof
3744013	D	Loudspeakers, weatherproof
3744014	D	Loudspeakers, heat and humidity resistant
3744015	D	Loudspeakers, miniature
3744016	D	Loudspeakers, heavy duty, discotheque and stage use

Sigmatel

3744017	D	Loudspeakers, high power
3744018	D	Loudspeakers, glass
3744019	D	Loudspeakers, flat panel
3744020	D	Loudspeakers, column type
3744021	D	Loudspeakers, ceiling type
3744022	D	Loudspeakers, pendant orbit
3744023	D	Loudspeakers, motor vehicle
3744024	D	Loudspeakers in cabinets
3744025	D	Loudspeakers, high fidelity (hi-fi)
3744026	D	Loudspeakers, personal computer (PC)
3744027	D	Loudspeakers, personal computer (PC), wireless
3744028	D	Loudspeakers for home theatre systems
3744029	D	Loudspeaker kits, home assembly
3744030	D	Loudspeakers, mobile communications, motor vehicle
3744031	D	Acoustic boxes
3744032	D	Megaphones
3744033	D	Headphones, moving coil
3744034	D	Headphones, moving iron
3744035	D	Headphones, double impedance
3744036	D	Headphones, tropicalised
3744037	D	Headphones, stereo
3744038	D	Headphones, high fidelity (hi-fi)
3744039	D	Headphones, single earpiece
3744040	D	Headphones, double earpiece
3744041	D	Headphones, helmet type
3744042	D	Headphones, cordless
3744043	D	Monitors, personal (in-ear), for musicians
3744044	D	Telephone headsets
3744045	D	Earphones, dictating machine
3744046	D	Public address equipment
3744047	D	Theatre or concert hall sound systems
3744048	D	Passenger address systems for aircraft and trains
3744049	D	Loudspeaker diaphragms
3744050	D	Loudspeaker cones
3744051	D	Tweeters
3744052	D	Woofers
3744053	D	Loudspeaker gaskets
3744054	D	Loudspeaker voice coil formers
3744055	D	Drivers (magnetodynamic units) for loudspeakers
3744101	D	Crossovers for loudspeakers

37480 **Microphones**

3748001	D	Microphones, electromagnetic
3748002	D	Microphones, capacitor/electrostatic
3748005	D	Microphones, piezoelectric (crystal)
3748006	D	Microphones, ceramic
3748007	D	Microphones, carbon
3748009	D	Microphones, moving coil
3748010	D	Microphones, moving iron
3748011	D	Microphones, digital
3748012	D	Microphones, ultrasonic
3748013	D	Microphones, cardioid response
3748014	D	Microphones, pressure-gradient/velocity
3748015	D	Microphones, stereophonic
3748016	D	Microphones, selective
3748017	D	Microphones, directional
3748018	D	Microphones, radio, wireless
3748019	D	Microphones, miniature
3748020	D	Microphones, ribbon
3748023	D	Microphones, ruggedised
3748024	D	Microphones, tropicalised
3748025	D	Microphones, dust proof
3748026	D	Microphones, hazardous area, explosion proof
3748027	D	Microphones, hazardous area, flameproof
3748032	D	Microphones, hand-held
3748033	D	Microphones, stand type
3748034	D	Microphones, lapel
3748035	D	Microphones, lip
3748036	D	Microphones, throat
3748040	D	Microphones, aircraft
3748041	D	Microphones, loudspeaker
3748044	D	Microphone stands and accessories
3748045	D	Microphone booms
3748048	D	Microphones for dictating machines

37780		Electrical and electronics industries contractors
3778007	D	Machine cabling services for robotics
3778015	D	Assembly services, electronic components and equipment
3778016	D	Assembly services, electrical components and equipment
3778017	D	Assembly services, electric cable
3778018	D	Assembly services, printed circuit boards (PCBs)
3778019	D	Assembly services, electronic cards
37810		Wires and cables for telecommunications and electronics
3781035	D	Wires, prestripped cut lengths, for electronic assemblies
38830		Telecommunication measuring and testing equipment
3883012	D	Oscillators and field meters for television aerial installations
40970		Intruder detection and access control systems
4097001	D	Access control systems, voice recognition
4097002	D	Access control systems, magnetic card
4097003	D	Access control systems, chip card
4097004	D	Access control systems, digital keypad
4097005	D	Access control systems, key activated
4097006	D	Access control systems, audio-visual (AV)
4097007	D	Access control systems, door entry, intercom
4097008	D	Access control systems, door entry, intercom, wireless
4097009	D	Access control systems, contactless card operated
4097010	D	Access control systems, biometric
4097011	D	Access control systems, infrared
4097012	D	Access control systems, electric hinges
44620		Industrial computers. Special purpose computers NES
4462015	D	Converters, analog to digital (ADCs)
4462016	D	Converters, digital to analog (DACs)
4462032	D	Protocol converters
44680		Circuit boards and microprocessors for computers
4468014	D	Computer network interface (NIC) cards/network adaptor cards for local area networks (LAN)
44740		Network equipment, switches and terminators
4474001	D	Modems, internal cards
4474002	D	Modems, external
4474003	D	Modems/terminal adaptors, integrated services digital network (ISDN)
4474004	D	Modems, ADSL (asymmetrical digital subscriber line)
4474005	D	Modems, DSL (digital subscriber line)
4474006	D	Modems, VDSL (very high bit-rate DSL)
4474007	D	Modems, asynchronous transfer mode (ATM) (terminating equipment)
4474008	D	Modems, fibre optic
4474009	D	Modems, radio frequency (RF), for wireless data communication
4474010	D	Modems, infrared, for wireless data communication
4474011	D	Modems, PCMCIA/PC card
4474012	D	Modems, global system for mobile communication (GSM)
4474013	D	Modems, fax/voice
4474014	D	Modem pools
4474015	D	Modems, cable
4474016	D	Modems, ruggedised, industrial
4474017	D	Modems, power line communication (PLC)
4474018	D	Bridges, network
4474034	D	10 Gigabit Ethernet switches
4474035	D	Computer network switches, layer 2
4474036	D	Computer network switches, layer 3
44760		Computer keyboards and other input devices NES
4476001	D	Computer keyboards, alphanumeric
4476002	D	Computer keyboards, multimedia
4476003	D	Computer keyboards, cordless
4476005	D	Computer keyboards, ergonomic
4476006	D	Computer keyboards, foldable
4476007	D	Computer keyboards, ruggedised, industrial
4476008	D	Computer keyboards, electronic, for the disabled
4476009	D	Computer keyboards, stainless steel, anti-vandal
4476010	D	Computer keyboards, illuminated
4476011	D	Computer keyboards with integrated biometric reader
4476012	D	Keyboards, low profile (membrane keyboards)
4476013	D	Keyboards, military
4476014	D	Keyboards, programmable
4476015	D	Keyboards for point of sale (EPOS) terminals
4476016	D	Keyboards for laptop or notebook computers
4476017	D	Keyboards for personal digital assistants (PDA)

Sigmatel

4476018	D	Glass terminals, touch sensitive screen
4476019	D	Computer mice
4476020	D	Computer mice, cordless
4476021	D	Computer mice, optical
4476022	D	Computer mice, novelty
4476023	D	Computer trackballs
4476024	D	Touch pads
4476025	D	Joysticks for computers
4476026	D	Joysticks for computers, cordless
4476027	D	Computer game pads or controllers
4476028	D	Computer game pads or game controllers, cordless
4476029	D	Digitisers, sonic
4476030	D	Light-pens
4476031	D	Graphics tablets/pads and pens
4476032	D	Pointing devices for computer aided design (CAD) systems
4476033	D	Computer input units, voice recognition
4476034	D	Numerical keypads for personal computers (PCs) and notebook computers
4476055	D	Computer keyboards to customer specification

44820 Local area network (LAN) equipment NES

4482002	D	Local networks, optical fibre cable
4482003	D	Local networks, coaxial cable
4482004	D	Local networks, twisted pair
4482005	D	Local area network (WLAN) equipment, wireless
4482010	D	Data concentrators, routers and hubs for local area networks (LAN)
4482011	D	Media converters, computer network

44950 Software to customer specification, software houses

4495001	D	Software, expert systems/artificial intelligence, to customer specification
4495002	D	Software, building automation, to customer specification
4495003	D	Software, industrial automation, to customer specification
4495004	D	Software, robotics, to customer specification
4495005	D	Software, safety and prevention of accidents at the workplace, to customer specification
4495006	D	Software, process control, to customer specification
4495007	D	Software, supervisory control and data acquisition (SCADA), to customer specification
4495008	D	Software, factory floor data collection, to customer specification
4495009	D	Software, plant and machinery maintenance, to customer specification
4495010	D	Software, material and production management systems (MPMS), to customer specification
4495011	D	Software, plant, machinery and equipment replacement, to customer specification
4495012	D	Software, production monitoring and control, to customer specification
4495013	D	Software, product lifecycle management (PLM), to customer specification
4495014	D	Integrated software, information lifecycle management (ILM), to customer specification
4495015	D	Software for process engineering applications to customer specification
4495016	D	Software, quality control, to customer specification
4495017	D	Programming services for numerically controlled machine tools
4495018	D	Software, packaging plant, to customer specification
4495019	D	Software, mechanical engineering and metallurgy, to customer specification
4495020	D	Software, numerical control, to customer specification
4495021	D	Software for the metal trade to customer specification
4495022	D	Software, manufacturing applications, to customer specification
4495023	D	Software, material optimisation, manufacturing industries, to customer specification
4495024	D	Software, electrical and electronic engineering applications, to customer specification
4495025	D	Software, transformer design, to customer specification
4495026	D	Software, printed circuit board (PCB) design applications, to customer specification
4495027	D	Software for real time and embedded systems to customer specification
4495028	D	Software for electrical installation contractors to customer specification
4495029	D	Software, scientific research and laboratory, to customer specification
4495030	D	Software, measuring instrument calibration, to customer specification
4495031	D	Software, meteorology, to customer specification
4495032	D	Software, marine applications, to customer specification

Sigmatel

4495033	D	Software, mapping, surveying and geographical information systems (GIS), to customer specification
4495034	D	Software for civil defence applications to customer specification
4495035	D	Software, fluid flow analysis and pipeline design, to customer specification
4495036	D	Software for thermal analysis systems to customer specification
4495037	D	Software, radiological shielding, to customer specification
4495038	D	Software, vibration measuring, to customer specification
4495039	D	Software for digital signal processors to customer specification
4495040	D	Software for global positioning systems (GPS) to customer specification
4495041	D	Software, online public transport timetable information, to customer specification
4495042	D	Software for environmental and ecology applications to customer specification
4495043	D	Software, automatic test systems, to customer specification
4495044	D	Software, office management, to customer specification
4495045	D	Software, knowledge management, to customer specification
4495046	D	Software, digital rights management (DRM), to customer specification
4495047	D	Software, data analysis, to customer specification
4495048	D	Software, oil and gas production applications, to customer specification
4495049	D	Software, oil and gas drilling control, to customer specification
4495050	D	Software, facilities management, to customer specification
4495051	D	Software, space management, retail and trade applications, to customer specification
4495052	D	Software for furniture industry applications, to customer specification
4495053	D	Software, furniture trade, to customer specification
4495054	D	Software, gauge management systems, to customer specification
4495055	D	Software, modelling, for urban drainage or sewer systems, to customer specification
4495101	D	Software for musical instruments to customer specification
4495102	D	Software, lighting management and control, to customer specification
4495103	D	Software, pattern recognition technology, to customer specification
4495104	D	Software, weighing applications, to customer specification
4495105	D	Software, freight handling and transportation, to customer specification
4495106	D	Software, pallet management, to customer specification
4495107	D	Software, motor trade, to customer specification
4495108	D	Software, fleet vehicle management, to customer specification
4495109	D	Software, pension fund and investment management, to customer specification
4495110	D	Software, stowage planning, to customer specification
4495111	D	Software, administration, for public authorities, to customer specification
4495112	D	Software, insurance, to customer specification
4495113	D	Software for banking and stockbroking applications to customer specification
4495114	D	Software, Internet banking/e-banking, to customer specification
4495115	D	Software, foreign exchange and stock exchange transactions to customer specification
4495116	D	Software, point of sale (EPOS), to customer specification
4495117	D	Software, recording studio, to customer specification
4495118	D	Software, user surveillance, to customer specification
4495119	D	Software, electronic voting, to customer specification
4495120	D	Software, vehicle number-plate recognition, to customer specification
4495121	D	Software for videotex systems, to customer specification
4495122	D	Software for the management of water, gas and electricity supply plant, to customer specification
4495123	D	Software, energy network management and service, to customer specification
4495124	D	Software, electronic printing, to customer specification
4495125	D	Software, typesetting, to customer specification
4495126	D	Software, timetabling and scheduling systems, to customer specification
4495127	D	Software, travel information indicator board, to customer specification
4495128	D	Software, electronic data interchange (EDI) systems, to customer specification
4495129	D	Software, safety training programs, to customer specification
4495130	D	Software, offshore gas and fire emergency training programs, to customer specification

Sigmatel

4495131	D	Software for cine and video film processing to customer specification
4495132	D	Software, medical, hospital and health care applications, to customer specification
4495133	D	Software, dental applications, to customer specification
4495134	D	Software, bone densitometry, to customer specification
4495135	D	Software, hearing care applications, to customer specification
4495136	D	Software, programmable logic controller (PLC), to customer specification
4495137	D	Software, die design, plastics and rubber industries, to customer specification
4495138	D	Shelf labelling systems for store management, computerised, to customer specification
4495139	D	Software, television broadcasting applications, to customer specification
4495140	D	Software, satellite and pay television, to customer specification
4495141	D	Software, television road condition reports, to customer specification
4495142	D	Software, radio broadcasting applications, to customer specification
4495143	D	Software, agricultural applications, to customer specification
4495144	D	Software for horticultural applications to customer specification
4495145	D	Software, distribution chain traceability for fruit and vegetables, to customer specification
4495146	D	Software, forestry management, to customer specification
4495147	D	Software, food and catering industries, to customer specification
4495148	D	Software, plastics industry applications, to customer specification
4495149	D	Software for the pharmaceutical and cosmetic industries to customer specification
4495150	D	Software for the paint and varnish industries to customer specification
4495151	D	Software, textile industry applications, to customer specification
4495152	D	Software, textile trade, to customer specification
4495153	D	Software, paper industry applications, to customer specification
4495154	D	Software, printing industry, to customer specification
4495155	D	Software, cockpit data collection and distribution, to customer specification
4495201	D	Software, airport, to customer specification
4495202	D	Software, local government, to customer specification
4495203	D	Software, low-rental housing allocation management, to customer specification
4495204	D	Software, school management systems, to customer specification
4495205	D	Software, hotel and leisure industry, to customer specification
4495206	D	Software, police force, to customer specification
4495207	D	Software to customer specification

52350 Gas, water, plumbing, heating, ventilation and air conditioning (HVAC) plant installation and maintenance contractors

5235035	D	Air conditioning installation, operation, maintenance and repair contractors
5235037	D	Ventilation duct installation contractors
5235038	D	Ventilation plant installation, maintenance and repair contractors
5235042	D	Dust extraction systems, design, installation and maintenance
5235045	D	Refrigeration plant and equipment installation, maintenance and repair contractors
5235049	D	Remote monitoring contractors for refrigeration plant
5235050	D	Leakage detection and location services, pipelines

52460 Electrical installation contractors

5246052	D	Television aerial installation contractors
---------	---	--

52470 Telecommunication installation contractors

5247001	D	Fibre optics installation contractors, telecommunications
5247005	D	Telephone line installation contractors
5247007	D	Temporary telephone line installation contractors
5247012	D	Telephone exchange installation contractors
5247015	D	Private telephone system installation contractors, commercial and industrial
5247020	D	Duplex intercommunication equipment installation contractors
5247022	D	Data network installation contractors
5247023	D	Local area network (LAN) installation contractors
5247025	D	Teleprinter system installation contractors
5247030	D	Cable television (CATV) installation contractors
5247035	D	Radio transmitting and receiving station equipment installation contractors
5247036	D	Base stations, global system for mobile communication (GSM), contractors
5247040	D	Transmitting tower (telecommunication) construction

52480		Fire protection, safety and security installation contractors.
		Locksmiths
5248001	D	Automatic fire alarm and extinguisher system installation contractors
5248004	D	Fire alarm installation contractors
5248010	D	Fire equipment maintenance contractors
5248015	D	Fire wall, firebreak and fire door installation contractors
5248018	D	Fireproof rooms, design and installation
5248020	D	Fireproofing services for buildings
5248024	D	Access control system installation contractors
5248025	D	Security system installation and maintenance contractors
5248028	D	Burglar alarm and intruder detection system installation contractors
5248035	D	Locksmith services
67820		Telecommunication equipment (trade)
6782001	D	Telecommunication switching equipment (trade)
6782002	D	Telecommunication transmission equipment (trade)
6782003	D	Telecommunication network equipment (trade)
6782004	D	Telecommunication terminals (trade)
6782007	D	Aerials, wave radiators and collectors (trade)
6782008	D	Wires and cables for telecommunications (trade)
6782009	D	Equipment for telephone and telegraph installations (trade)
6782010	D	Broadcasting equipment, radio and television (trade)
6782012	D	Telephone handsets and components (trade)
6782013	D	Personal pagers and paging equipment (trade)
6782014	D	Telecommunication equipment accessories (trade)
6782015	D	Telephone answering machines (trade)
6782020	D	Satellite receivers, dishes and accessories (trade)
6782025	D	Cable television (CATV) systems and equipment (trade)
6782028	D	Mobile radio communication systems and equipment (trade)
6782030	D	Mobile telephones (cellular phones), equipment and accessories (trade)
6782035	D	Mobile telephones (cellular phones), second-hand
6782040	D	Telephone intercommunication equipment (trade)
6782050	D	Video conferencing/teleconferencing systems (trade)
67900		Computers, software, computer peripherals and auxiliary units (trade)
6790001	D	Servers and large scale computers (trade)
6790002	D	Minicomputers (trade)
6790003	D	Mainframe computers (trade)
6790004	D	Personal/desktop computers (PCs) (trade)
6790006	D	Computers, portable, laptop, notebook, palmtop (trade)
6790007	D	Data storage devices for computing (trade)
6790050	D	Computers and computer hardware, second-hand
79090		Telephone services
7909015	D	Call centre operators
84700		Electrical and electronic engineering consultants
8470036	S	Computer engineering consultants
