Products & services

Code		Kompass code description
37300		Telecommunication system exchanges and network equipment
3730016	D	Telecommunication systems, interactive voice recognition (IVR) and control
3730017	D	Telecommunication systems, prepayment
3730018	D	Telecommunication systems, mobile Internet
3730020	D	Telecommunication systems, WAP (Wireless Application Protocol)
3730021	D	Telecommunication systems, short message service (SMS)/text messaging
3730033	D	Wide area network (WAN) equipment
44560		Servers and large scale computers
4456002	D	Computer systems, parallel processing
4456005	D	Data input systems for mainframe computers
4456007	D	Supercomputers
4456010	D	Minicomputers
4456011	D	Servers, network
4456012	D	Servers, web
44580		Desktop computers, portable computers and related devices
4458001	D	Microcomputers
4458002	D	Computers, desktop/personal computers (PCs)
4458004	D	Network workstations (thin client computers)
4458005	D	Computers, graphics workstations
4458006	D	Computers, portable, laptop or notebook
4458008	D	Palmtop/hand-held computers and personal digital assistants (PDA)
4458009	D	Computers, wearable
4458010	D	Multimedia stations
4458055	D	Personal computers (PCs)/desktop to customer specification
44720		Terminals, monitors/display screens

Axecibles

4472003	D	Video monitors, analog
4472004	D	Video monitors, digital
4472008	D	Video monitors, flat panel (flat panel displays)
4472009	D	Video monitors, electroluminescent
4472010	D	Video monitors, point of sale (POS)
4472011	D	Video monitors for industrial use
4472013	D	Displays for mobile telephones (cellular phones)
4472015	D	Touch screens for palmtop/hand-held computers or personal digital assistants (PDA)
4472023	D	Computer terminals, secure Internet payment
4472039	D	Data receiving and transmitting equipment (telematics) for vehicles

44820 Local area network (LAN) equipment NES

4482001	D	Local area network (LAN) systems, complete
4482002	D	Local networks, optical fibre cable
4482003	D	Local networks, coaxial cable
4482004	D	Local networks, twisted pair
4482005	D	Local area network (WLAN) equipment, wireless
4482007	D	Multiplexers for fibre optic networks
4482010	D	Data concentrators, routers and hubs for local area networks (LAN)
4482011	D	Media converters, computer network
4482012	D	Multi-station access units for token ring networks
4482014	D	Network adaptors
4482025	D	Patch panels, computer network
4482048	D	CD-ROM servers for local area networks (LAN)

44827 Local area network (LAN) equipment NES (Country Specific Products)

4482701	P	Transpac network adaptors, data processing
---------	---	--

44880 Operating systems. System and development software

4488001	D	Operating systems, multi-user multi-tasking (server, workstation, network)
4488002	D	Operating systems, single user, multi-tasking (desktop/personal computer (PC))
4488003	D	Operating systems, single user, single-tasking (desktop/personal computer (PC))
4488022	D	Software, utilities
4488023	D	Software, disk utilities
4488024	D	Software, file utilities (backup, recovery etc.)
4488025	D	Software, anti-virus
4488034	D	Software, Internet security

44900 Application software packages, business, office, professional and financial

4490001	D	Integrated software for offices
4490003	D	Software, desktop publishing (DTP)
4490004	D	Software, presentation
4490005	D	Software, spreadsheet
4490006	D	Software, word processing
4490007	D	Software, forms design and management
4490008	D	Software, label production
4490009	D	Software, address management
4490010	D	Software, editorial and publications management
4490012	D	Software, patents
4490014	D	Software, communications
4490015	D	Software, facsimile (fax) and telex
4490016	D	Software, electronic mail (E-mail)
4490019	D	Software, Internet navigation, web browsers
4490020	D	Software, intranet
4490021	D	Software, extranet
4490023	D	Software, web page design and development
4490024	D	Software, electronic commerce (E-commerce)
4490025	D	Software, shopping cart/basket (E-commerce)
4490026	D	Software, mobile electronic commerce (m-commerce)
4490027	D	Software, shopping agents (shopping robots/bots)
4490028	D	Software, Internet payment
4490029	D	Software, website checking
4490030	D	Software, website monitoring
4490031	D	Software, website contents management
4490032	D	Software, search engine
4490036	D	Software, customer relationship management (CRM)
4490037	D	Software, supplier relationship management (SRM)
4490038	D	Software, supply chain management (SCM)
4490039	D	Software, e-procurement
4490040	D	Software, online transaction processing (OLTP)

Axecibles

4490041	D	Software, marketing, commercial and quality research
4490042	D	Software, online analytical processing (OLAP)
4490044	D	Software, sales and marketing
4490045	D	Software, telemarketing
4490046	D	Software, mail order processing
4490047	D	Software, electronic mail (E-mail) marketing
4490048	D	Software, direct market merchandising
4490049	D	Software, computer aided selling (CAS)
4490051	D	Software, enterprise resource planning (ERP)
4490052	D	Software, enterprise asset management (EAM)
4490053	D	Software, enterprise application integration (EAI)
4490054	D	Software, personnel management/human resources (HR)
4490055	D	Software, time and attendance
4490102	D	Software, electronic catalogue/e-catalogue
4490103	D	Software, bulletin board
4490105	D	Software, data warehousing
4490106	D	Software, archive management
4490107	D	Software, library and electronic document management (EDMS)
4490108	D	Software, decision support (DSS)
4490110	D	Software, business activity simulation and modelling
4490111	D	Software, company data integration
4490112	D	Software, internal company data access
4490114	D	Software, transport and logistics
4490115	D	Software, public transport management and services
4490116	D	Software, logistics process simulation
4490117	D	Software, import-export applications
4490118	D	Software for wholesale applications
4490119	D	Software, warehouse management (inventory) and stock control systems
4490122	D	Software, bar code

44960 Computer and computer peripheral maintenance services

4496002	P	Computer disk upgrading services
4496011	P	Test and repair services, electronic engineering
4496020	P	Microprocessor repair services
4496021	P	Microcomputer, multi-user and network systems maintenance services
4496030	P	Computer installation and maintenance services

44990 Computer and Internet related services NES

4499001	P	Information technology (IT) consultants
4499002	P	Information technology (IT) project management services
4499003	P	Information technology (IT) security consultants
4499005	P	Computer hardware consultants
4499006	P	Computer configuration services
4499007	P	Software installation services
4499008	P	Software verification, validation and testing services
4499009	P	System integration services, information technology (IT)
4499010	P	Computer validation services
4499013	P	Computer aided design and computer aided manufacturing (CAD-CAM) systems consultants
4499017	P	Multimedia consultants
4499018	P	CD-ROM development services
4499019	P	Programming services, microprocessor
4499021	P	Data recovery services
4499022	P	Computer data security consultants
4499025	P	Consultants, computer communications
4499026	P	Web page design services and consultants
4499027	P	Website development services
4499030	P	Website indexing consultants and services
4499031	P	Website content management services and consultants
4499034	P	Domain name registration and management services (DNS)
4499037	P	Internet consultants, online
4499038	P	Internet portal consultants and services
4499039	P	Secure Internet payment consultants and services
4499041	P	Electronic catalogue/e-catalogue production services
4499042	P	Website call centre services
4499043	P	Software maintenance services
4499044	P	Open source software (OSS) integration, development and maintenance services
4499046	P	Software consultants for defence and aerospace systems
4499047	P	Software consultants, insurance and finance
4499048	P	Software consultants, transport and logistics
4499049	P	Software consultants, data warehousing
4499050	P	Network consultants and services
4499051	P	Network systems management services

Axecibles

4499052	P	Computer aided design (CAD) services
4499053	P	Computer aided manufacturing (CAM) services
4499055	P	Computer simulation of process sequences
4499101	P	Computer facilities management services
4499102	P	Network security services
