

JMS Systemhydraulik AB

4036031	D	Valves, oil hydraulic, decompression
4036032	D	Valves, oil hydraulic, counterbalance
4036033	D	Valves, oil hydraulic, bypass
4036034	D	Valves, oil hydraulic, check/non-return
4036035	D	Valves, oil hydraulic, needle
4036036	D	Valves, oil hydraulic, pre-fill
4036038	D	Valves, oil hydraulic, servo
4036039	D	Valves, oil hydraulic, solenoid
4036040	D	Valves, oil hydraulic, speed control
4036041	D	Valves, oil hydraulic, time delay
4036042	D	Valves, oil hydraulic, differential lock
4036044	D	Valves, oil hydraulic, multiple bank, manifold
4036046	D	Valves, oil hydraulic, decelerating, brake
4036047	D	Valves, oil hydraulic, cartridge
4036101	D	Cylinders, hydraulic
4036104	D	Cylinders, oil hydraulic, single acting
4036105	D	Cylinders, oil hydraulic, double acting
4036106	D	Cylinders, oil hydraulic, telescopic
4036128	D	Filters for hydraulic equipment and circuits
4036129	D	Filters for oil hydraulic equipment and circuits
4036130	D	Fittings for oil hydraulic equipment
4036136	D	Manifolds, oil hydraulic

40440 EI Heat exchangers, cooling towers, water condensers and radiators

4044028	D	Heat exchangers, lubricating oil and hydraulic oil cooling
---------	---	------------------------------------------------------------

46940 EI Control and transmission units for machine tools

4694022	D	Hydraulic controls and equipment for machine tools, metalworking
4694025	D	Pressure distributors for hydraulic presses, metalworking

48900 Reconditioning, repair and maintenance services

4890132	P	Repair and maintenance services for valves
4890133	P	Repair, maintenance and reconditioning services for pumps
4890152	P	Repair and maintenance services, hydraulic equipment

84800 EI Metallurgy and mechanical engineering consultants

8480025	S	Hydraulic plant and equipment engineering consultants
---------	---	-------------------------------------------------------
